Subject: Class Deviation to Implement the FAR Revisions Parts 53 *Forms* and 52 *Solicitation Provisions and Contract Clauses* Issued on September 30, 2025

Findings

On April 15, 2025, President Trump signed the [Executive Order \(E.O.\) 14275, “Restoring Common Sense to Federal Procurement”](#) to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of the [E.O. 14192, “Unleashing Prosperity Through Deregulation,”](#) signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people.

The E.O. orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released its memo M-25-26 “Overhauling the Federal Acquisition Regulation” that directs all agencies to “Generally issue individual or class deviations to implement the FAR Council’s deregulated coverage within 30 days after the Council releases its model deviation text. Provide copies of class deviations to the FAR Secretariat at gsaregsec@gsa.gov for public posting on Acquisition.gov.”

On September 30, 2025, the FAR Council issued completed revisions for [FAR Part 53](#) and [FAR Part 52](#) clause. The RFO FAR Part 53 model deviation text has been streamlined and modernized. Most significantly, rather than maintaining a list of forms within the part text, it directs users to a centralized site (<https://acquisition.gov/FARforms>) as the authoritative repository for all acquisition

related forms. As a result, this part no longer needs to be amended through the formal rulemaking process every time a form is updated, added, or removed. This drastically reduces the administrative burden on the FAR Council and increases the government's agility in managing its library of forms. The "Forms List" referenced in the new 53.101(b) now performs the prescriptive function previously handled throughout this entire subpart, shifting the FAR's role from a static, self-contained text to a dynamic system that points to live, authoritative resources.

Readers should reference the table at <https://acquisition.gov/FARforms> to review retained forms and their citations for prescribed use throughout the FAR.

The clause 52.253-1, Computer Generated Forms, is retained and updated. The update deletes a reference to the FAR prescriptions, in paragraph (a).

This part does not directly implement any statutory requirements.

Determination

To fully comply with the President's E.O.s and the revised FAR Parts 53 and 52, MCC shall follow the [RFO Part 53 model deviation text](#) instead of FAR Part 53 as codified at 48 CFR Chapter 53 and replace the relevant [RFO Part 52 model deviation clause](#) instead of the FAR Part 52 clause as codified at 48 CFR Chapter 52. The FAR Council's RFO Parts 53 and 52 model deviation texts are available at [Acquisition.gov](#), under the "[FAR Overhaul](#)" link.

This deviation applies to all solicitations and new contracts as of November 14, 2025. This deviation does not apply to contracts signed and executed on or before November 13, 2025.

Approval

In accordance with RFO FAR 1.304 *Class deviations*, MCC Contracts Operating Manual (COM) 1.305-3 *Contracts and Grants Management Division MD/SPE*, and the OMB memo M-25-26, the RFO Part 53 model deviation text and the RFO Part 52 model deviation clause are hereby approved effective as of November 14, 2025 for use by all MCC Contracting Officers until final implementation of the FAR update or rescission of this Memo by the SPE. Additional instructions related to this Memo may be issued by the Senior Procurement Executive, Deputy Managing Director, and the Supervisory Procurement Analyst of the MCC CGM Division on an *ad hoc* basis.
