**MEMORANDUM FOR MORRIS K. UDALL AND STEWART L. UDALL FOUNDATION (UDALL FOUNDATION)
CONTRACTING ACTIVITIES**

DATE: September 2, 2025

SUBJECT: Class Deviations for FAR Part 26 in support of Executive Order 14275, *Restoring Common Sense to Federal Procurement*

FROM: David P. Brown, Executive Director

1. **Purpose.** This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) Part 26 for purposes of implementing the Federal Acquisition Regulatory Council's ("the Council's" or "RFO") model deviation text to FAR Part 26.
2. **Background.** On April 15, 2025, President Trump signed Executive Order (E.O.) 14275, "Restoring Common Sense to Federal Procurement" to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of E.O. 14192, "Unleashing Prosperity Through Deregulation," signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people. E.O. 14275 orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies, to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation," that directs all agencies to "Generally issue individual or class deviations to implement the FAR Council's deregulated coverage within 30 days after the Council releases its model deviation text[and] Provide copies of class deviations to the FAR Secretariat at gsaregsec@gsa.gov for public posting on Acquisition.gov."

Also on May 2, 2025, the Acting Administrator for Federal Procurement Policy at OMB released a Memorandum, "Deviation Guidance to Support the Overhaul of the Federal Acquisition Regulation." This Memorandum advises that agencies using the RFO model class deviation text do not need to further coordinate with the Council; class deviations that differ from the RFO model text require Council approval unless the difference is necessary to address agency-specific statutory direction.

On August 8, 2025, the FAR Council issued completed revisions for FAR Part 26 and FAR Part 52 provisions and clauses. The RFO FAR Part 26 model deviation text has been reorganized within each subpart to follow the acquisition process, i.e., steps to take before solicitation vs. after award. This new structure makes it easier and faster to find needed information at each stage of procurement.

Statutory requirements retained in the RFO FAR Part 26 model deviation include, but are not limited to, the following:

- 6 U.S.C. § 796, Registry of Disaster Response Contractors
- 25 U.S.C. § 1544, Additional Compensation to Contractors of Federal Agency
- 41 U.S.C. §§ 8101 et seq, Drug Free Workplace
- 42 U.S.C. § 1792, Promoting Federal Food Donation
- 42 U.S.C. § 5150, Use of Local Firms and Individuals
- Pub. L. 100-707 (42 U.S.C. §§ 5121 et seq), Robert T. Stafford Disaster Relief and Emergency Assistance Act
- Pub. L. 114-328 Section 816, Amendments to Special Emergency Procurement Authority
- Pub. L. 114-328 Section 1641, Special Emergency Procurement Authority to Facilitate the Defense Against or Recovery from a Cyber Attack.
- E.O. 12928, Promoting Procurement with Historically Black Colleges and Universities, and Minority Institutions.
