

MKU-DEV-2025-22

**MEMORANDUM FOR MORRIS K. UDALL AND STEWART L. UDALL FOUNDATION (UDALL FOUNDATION)
CONTRACTING ACTIVITIES**

DATE: September 10, 2025

SUBJECT: Class Deviations for FAR Part 51 in support of Executive Order 14275, *Restoring Common Sense to Federal Procurement*

FROM: David P. Brown, Executive Director

1. **Purpose.** This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) Part 51 for purposes of implementing the Federal Acquisition Regulatory Council's ("the Council's" or "RFO") model deviation text to FAR Part 51.
2. **Background.** On April 15, 2025, President Trump signed Executive Order (E.O.) 14275, "Restoring Common Sense to Federal Procurement" to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of E.O. 14192, "Unleashing Prosperity Through Deregulation," signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people. E.O. 14275 orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies, to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation," that directs all agencies to "Generally issue individual or class deviations to implement the FAR Council's deregulated coverage within 30 days after the Council releases its model deviation text[and] Provide copies of class deviations to the FAR Secretariat at gsaregsec@gsa.gov for public posting on Acquisition.gov."

Also on May 2, 2025, the Acting Administrator for Federal Procurement Policy at OMB released a Memorandum, "Deviation Guidance to Support the Overhaul of the Federal Acquisition Regulation." This Memorandum advises that agencies using the RFO model class deviation text do not need to further coordinate with the Council; class deviations that differ from the RFO model text require Council approval unless the difference is necessary to address agency-specific statutory direction.

On August 14, 2025, the FAR Council issued completed significant revisions for FAR Part 51, Use of Government Sources By Contractors. The part has been removed in its entirety. All statutory text and essential text retained to support sound procurement will be moved to FAR part 8.

3. **Determination.** To fully comply with E.O. 14275, OMB implementation guidance, and direction related to use of model deviations, and the model deviations for revised FAR Part 51, the Udall Foundation shall follow the RFO Part 51 model deviation text instead of FAR Part 51 as codified at 48 CFR Chapter 51. The FAR Council's RFO Part 51 model deviation text is available at Acquisition.gov, under the "FAR Overhaul" link. This deviation applies to all solicitations and new contracts as of the date of the Memorandum. This deviation does not apply to contracts signed and executed on or before the date of this Memorandum.
4. **Instructions.** The Udall Foundation acquisition workforce shall follow the RFO Part 51 model deviation text instead of FAR Part 51 as codified at 48 CFR Chapter 51. The Council's RFO Part 51 model deviation text is available at Acquisition.gov, under the "FAR Overhaul" link, and is incorporated into this class deviation.

The Udall Foundation acquisition workforce shall review templates and related standard operating procedures to align with this deviation and remove unnecessary processes or steps.

A copy of this Class Deviation will be provided to the FAR Secretariat at gsaregsec@gsa.gov.

5. **Applicability.** This class deviation applies to all Udall Foundation procurements.
6. **Authority.** This class deviation is issued under the authority of E.O. 14275, OMB Memo M-25-26, and 48 CFR 1.4, and RFO FAR 1.304.
7. **Effective Date.** This class deviation is effective immediately and remains in effect until rescinded or incorporated into the FAR.

Points of Contact. Questions regarding this class deviation may be directed to the Udall Foundation General Counsel, Gwendolyn Franks, at franks@udall.gov.
