**MEMORANDUM FOR MORRIS K. UDALL AND STEWART L. UDALL FOUNDATION (UDALL FOUNDATION)
CONTRACTING ACTIVITIES**

DATE: December 2, 2025

SUBJECT: Class Deviations for FAR Part 53 in support of Executive Order 14275, *Restoring Common Sense to Federal Procurement*

FROM: David P. Brown, Executive Director

1. **Purpose.** This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) Part 53 for purposes of implementing the Federal Acquisition Regulatory Council's ("the Council's" or "RFO") model deviation text to FAR Part 53.
2. **Background.** On April 15, 2025, President Trump signed Executive Order (E.O.) 14275, "Restoring Common Sense to Federal Procurement" to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of E.O. 14192, "Unleashing Prosperity Through Deregulation," signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people. E.O. 14275 orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies, to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation," that directs all agencies to "Generally issue individual or class deviations to implement the FAR Council's deregulated coverage within 30 days after the Council releases its model deviation text [and] Provide copies of class deviations to the FAR Secretariat at gsaregsec@gsa.gov for public posting on Acquisition.gov."

Also on May 2, 2025, the Acting Administrator for Federal Procurement Policy at OMB released a Memorandum, "Deviation Guidance to Support the Overhaul of the Federal Acquisition Regulation." This Memorandum advises that agencies using the RFO model class deviation text do not need to further coordinate with the Council; class deviations that differ from the RFO model text require Council approval unless the difference is necessary to address agency-specific statutory direction.

On September 30, 2025, the FAR Council issued completed revisions for FAR Part 53, Forms, and FAR Part 52 clause. The updated text has been streamlined and modernized. Most significantly, rather than maintaining a list of forms within the part text, it directs users to a centralized site (<https://acquisition.gov/FARforms>) as the authoritative repository for all acquisition related forms. As a result, this part no longer needs to be amended through the formal rulemaking process every time a form is updated, added, or removed. This drastically reduces the administrative burden on the FAR Council and increases the government's agility in managing its library of forms. The "Forms List" referenced in the new 53.101(b) now performs the prescriptive function previously handled throughout this entire subpart, shifting the FAR's role from a static, self-contained text to a dynamic system that points to live, authoritative resources.

Readers should reference the table at <https://acquisition.gov/FARforms> to review retained forms and their citations for prescribed use throughout the FAR.

The clause 52.253-1, Computer Generated Forms, is retained and updated. The update deletes a reference to the FAR prescriptions, in paragraph (a).

This part does not directly implement any statutory requirements.

3. **Determination.** To fully comply with E.O. 14275, OMB implementation guidance, and direction related to use of model deviations, and the model deviations for revised FAR Part 53, the Udall Foundation shall follow the RFO Part 53 model deviation text instead of FAR Part 42 as codified at 48 CFR Chapter 53. The FAR Council's RFO Part 53 model deviation text is available at Acquisition.gov, under the "FAR Overhaul" link. This deviation applies to all solicitations and new contracts as of the date of the Memorandum. This deviation does not apply to contracts signed and executed on or before the date of this Memorandum.
4. **Instructions.** The Udall Foundation acquisition workforce shall follow the RFO Part 53 model deviation text instead of FAR Part 53 as codified at 48 CFR Chapter 53 and the RFO Part 52 model deviation text of FAR Part 52 as codified at 48 CFR Chapter 42. The Council's RFO Parts 53 and 52 model deviation text are available at Acquisition.gov, under the "FAR Overhaul" link, and are incorporated into this class deviation.

For new solicitations or contracts, when using any provisions or clauses that have been revised, the Udall Foundation acquisition workforce shall use the RFO model deviation language at RFO FAR part 52.

For open solicitations or awarded contracts, the contracting officer has discretion regarding the need to enforce or amend the provisions or clauses. Note that without some of the removed provisions or clauses, the contracting officer may be required to separately address certain aspects in the contract.

The Udall Foundation acquisition workforce shall review templates and related standard operating procedures to align with this deviation and remove unnecessary processes or steps.

A copy of this Class Deviation will be provided to the FAR Secretariat at gsaregsec@gsa.gov.

5. **Applicability.** This class deviation applies to all Udall Foundation procurements.

6. **Authority.** This class deviation is issued under the authority of E.O. 14275, OMB Memo M-25-26, and 48 CFR 1.4, and RFO FAR 1.304.
7. **Effective Date.** This class deviation is effective immediately and remains in effect until rescinded or incorporated into the FAR.

Points of Contact. Questions regarding this class deviation may be directed to the Udall Foundation General Counsel, Gwendolyn Franks, at franks@udall.gov.
